ACTIVITIES OF ARYA SAMAJ DURING 2021-22

The regular activities of Arya Samaj during 2021-22 were curtailed for the second year running. Due to restrictions in gathering at places of worship because of a resurgence in the Covid pandemic, the Sunday Satsangs could not be held. However, Arya Samaj continued to utilise the virtual platform to conduct Satsangs every Sunday as usual, and these virtual Satsangs are continuing till date. In fact, there is a wide range of participation in the online Satsangs from all over India, even from abroad and high quality discourses are rendered by the renowned Arya Samaj Pracharak, Acharya Raju Vaigyanik. The physical Sunday Satsangs commenced only in November, 2021 but had to be stopped in early January, 2022. They were resumed in February, with participation by the students of the DAV Group of schools. Of course, all protocols and guidelines with reference to the pandemic were observed.

The curtailment of the Satsangs in the Arya Samaj organisations throughout the country resulted in the loss of livelihood of numerous Vedic scholars and *Pracharaks*. Arya Samaj, Chennai responded to the situation and launched a programme of financial assistance to about 500 such scholars across the country. Other organisations, like the Sarvadeshik Arya Pratinidhi Sabha and Haryana Pradeshik Sabha, as well as a few individuals also pitched in and helped them tide over the difficult period.

In addition, a Gurukul has been set up at the Arya Samaj premises in Triplicane, and has started functioning from December 15, 2021. There are 23 students from different places in India, under the stewardship of 3 Acharyas. This is a major milestone in the annals of Arya Samaj in Chennai, and we hope it will result in the advancement of Vedic knowledge of a higher order.

Another significant initiative has been the commencement of online booking of requests for participation in the Satsangs as Yajmans, as well as for assigning Purohits for performing ceremonies like marriage, house warming, upanayam sanskar as well as anteyashti and shanti homams.

Marriages: 52 nos.

Shuddhi: 54 nos.

Homam: 215 nos.
