## **D.A.V. GROUP OF SCHOOLS, CHENNAI – AN OVERVIEW**

The **Dayanand Anglo Vedic (DAV) movement** was started by the Arya Samaj way back in 1886 in Lahore (currently part of Pakistan). Against the backdrop of a society riddled with superstitious practices and beliefs, the **Arya Samaj emerged as an active advocate of education for all** irrespective of gender or caste. Thus, DAV - the first organised schooling system by Indians in that era, was established in memory of **Swami Dayanand Saraswati**, a versatile genius, social reformer, educationist, benefactor of humanity and harbinger of the national movement.

‘D’ - Dayanand (Swami Dayanand Saraswati)

‘A’ - Anglo (signifying contemporary education)

‘V’ - Vedic (Shaastras based education with blend of spirituality)

The far-sighted founders of DAV – Lala Lajpat Rai, Mahatma Hansraj, Pandit Gurudutt Vidyarthi and many others emphasised that education should be holistic with a judicious mix of Vedic (**Paraa Vidya**) & Contemporary subjects (**Aparaa Vidya**).

### **Arya Samaj in Chennai**

Following the partition of India in 1947, many followers of Vedic dharma were among those forced to move from Pakistan to India with some settling down here in Chennai, where they recreated the DAV movement and founded the **Tamil Nadu Arya Samaj Educational Society** (Currently known as Arya Samaj Seva Foundation) in 1970.

Some of the key founders include Lala Indersain ji, Shri Satyadev ji, Shri Jaidev ji, Shri Balakrishna Joshi ji, Shri Ram Kalra ji, Shri Surendra Kumar ji, Shri VN Bajaj ji, Shri Balakrishna Goenka ji, Shri DC Malhotra ji and Shri SD Nangia ji. They continue to inspire the next generations through a service-oriented Board and Management who work on an honorary basis.

### **Education - Reach**

Started with just 50 students under a banyan tree at Gopalapuram, the DAV Group of Schools today serves over **40,000 students across 10 Owned**

**schools, 5 Managed schools (3 Public & 2 Private) and 13 Academic Associates.**

**Owned Schools** - ASSF governs eight full-fledged schools located across Gopalapuram, Mogappair, Gill Nagar, Pallikaranai and Puducherry. Two Government-aided schools function out of Sowcarpet and Vyasarpadi.

**Managed Schools (Public & Private)** - ASSF partners with existing and new schools in both the Public and Private sectors. Currently, the Society manages three schools for BHEL - one at Ranipet and two at Tiruchirappalli as well as two Private schools - DAV Sarada Eshwar Vidyalaya in Pozhichalur and DAV-SM Fomra School at Kelambakkam.

**Academic Associates** - Drawing from the institution's collective experience over the last 50 years, this service-oriented initiative is a unique advisory model to share best practices with schools across the country that share a similar vision and are driven by the larger purpose of nation-building.

The initiative aims to help improve the quality of education beyond metropolitan cities and currently works with 13 Academic Associates across Coimbatore, Gobichettipalayam, Kallakurichi, Karur, Madurai, Mayiladuthurai, Melmaruvathur, Salem, Tirupur, Trichy, Vellore, Kovilpatti and Mannargudi.

### DAV - KEY ETHOS

With the aim of building an equitable, meritocratic, knowledge-driven society based on Vedic Principles, DAV Group of Schools, Chennai strives towards providing '**High quality, Value-based, Affordable Education**' which is embedded in Spirituality & Service.

### HIGH-QUALITY (Academic Excellence & Holistic Learning)

While DAV has built a strong reputation of sustained academic excellence, the institution also remains committed to providing holistic education and empowering students with critical thinking and life skills. Students also have the opportunity to participate in a large variety of skills and self-development programs including Creative Thinking Projects, Do-It-Yourself courses, Theatre-based Learning, NCC, Scouts & Guides and more.

## **Academic Excellence**

The 'integrated learning methodology' adopted for JEE and NEET proactively coaches and prepares students of Classes XI and XII for these competitive exams along with their Board exams (CBSE/State Board/NIOS). In-house faculty members intensively train, mentor and guide students with the help of recommended study materials. Foundational programs for Classes IX and X that focus on building strong fundamentals in core subjects like Physics, Chemistry & Mathematics are also available.

The recently formed **National Admissions Test (NAT)** department focuses on helping and hand holding students to clear various entrance examinations like CLAT, CA, CUET, KVPY, IAPT, NTSE, NDA, NID and more, thus enabling them to gain admission to courses of their choice at eminent colleges and universities of excellence.

**Career Guidance Programs** are regularly conducted online to share real-time information and guidance by reputed alumni and successful professionals across various domains so that students are well-informed to make the right choice.

## **Holistic Learning**

**DAV Krida Kendram – The Sports Academy** strives to help all stakeholders, including teachers and parents, gain a sense of sportsmanship and a passion for games through varied activities in **Sports, Yoga and Self-defence**. In addition to after-school training programmes, workshops and inter-DAV competitions, the Academy also hosts numerous events like State Level Basketball Championships and an International Chess Tournament amongst others.

A professional training programme has also been introduced to help aspiring PE teachers gain competence.

**DAV Kala Kendram -The Creative Arts Academy** has been set up to encourage learning and participation in **Performing, Visual and Literary Arts**. The academy will promote both contemporary and traditional art forms and will comprise of theory and practical classes, workshops, competitions and more.

## VALUE-BASED (Spirituality & Service)

The institution rests on a strong foundation of Dharma (Spirituality) and students are encouraged to follow the Vedic way of life through the **Panch Maha Yajna – the ‘Five Daily Duties’** that include respecting and taking care of elders, guests, the environment and animals.

Guided meditation and Agnihotra continues to be conducted regularly at schools and children can also celebrate their birthdays by performing Agnihotra. ‘Namaste’, a respectful way of greeting which means ‘The I in me bows to the I in you’ and addressing teachers as ‘Aacharya’ are inbuilt in the school culture.

Developing a **Service Orientation** is an integral part of Dharma. Therefore, to inculcate in children a sense of gratitude, compassion, empathy and an appreciation for the dignity of labour, the **Sushrusha** programme was introduced wherein students interact with children with special needs, visit old age homes, orphanages, Goshalas and learn to **serve with humility**.

## **AFFORDABLE EDUCATION - THE DAV MODEL**

The ‘Pillars of DAV’ - a committed group of stalwarts including the Founders, worked selflessly and tirelessly to create an educational model to impart good values and foster academic excellence while ensuring that high quality education is accessible to all. A large community of well-wishers who believed in this cause, generously contributed funds and resources towards acquiring land and creating the infrastructure. Thanks to all of them, it became possible for DAV

Chennai to remain a not-for-profit organisation in true spirit, providing subsidised education and impacting thousands of students every year.

The Institution's continuing expansion stands testimony to the large-heartedness of the community which has contributed to this growth in the true spirit of “Vasudhaiva Kutumbakam” – the world is but one family and there can be no individual welfare without collective welfare.

### **OTHER EDUCATIONAL INITIATIVES BY ASSF**

**Teacher Training** - With “Acharya Devo Bhava” being one of its guiding principles, DAV Shikshanam was established in the year 2017 with its flagship teacher training program, ‘Post Graduate Certificate in Education (PGCE)’. Aspiring teachers are given intensive job-oriented training along with practical exposure across DAV school branches.

**Publishing** - In pursuit of excellence in academics and to provide rootedness in our culture, this in-house division publishes textbooks that follow Indic-culture and are affordable, contemporary and value-based. Subject videos which will help students revise topics at their own pace is produced by the e-Shiksha Paathshaala team. Prajya - a thoughtfully curated National news magazine for children is published every month.

**DAV - SM Fomra Civil Services Scholarship Program** - In keeping with our commitment towards nation building, the DAV-SM Fomra Civil Services Scholarship programme was launched in 2022. Civil service aspirants from across Tamil Nadu and Puducherry are shortlisted for this intensive residential program that includes mentoring and academic support by reputed faculty, free boarding facilities and performance-based stipends.

## **ARYA SAMAJ FOUNDATION (ASF) - VISION HEAL**

Arya Samaj Foundation - the parent body of the DAV Group, Chennai, aims to empower and improve lives in keeping with the sixth Principle of Arya Samaj, i.e. "To do good to the world, that is, to promote physical, spiritual and social good of everyone".

ASF is passionately committed towards social welfare initiatives which align with its '**Vision HEAL**' - **H**ealth & **W**ellness, **E**ducation & **E**nvironment, **A**nimal **W**elfare & **A**griculture, **L**ivelihood.

### **Recent Initiatives:**

**Natural Farming Projects**—ASF has adopted six farms in its efforts to promote Natural farming through knowledge-sharing of traditional indigenous methods and by supporting farmers to practice and implement independently on a smaller or a larger scale. With the farming methodology being chemical-free, cow-based and sustainable, the vegetables and fruits produced are both healthy and of high quality. These have been made available at select school counters at a nominal cost. All proceeds go entirely to the farming community, to help them sustain good farming practices.

**Medical Guidance & Counselling** - The volunteer-driven free medical guidance programme has touched hundreds of lives, guiding them to make the right decisions and provide reliable information. A highly competent honorary Advisory Board composed of service-oriented medical professionals guide the team (For free medical guidance - 7338706244)

Through **Mind Care Counselling**, professional counselling is made available for students and parents in addition to the regular counselling services at school (For counselling - 72003 91976)
